Summer student services

During the summer, 7th-12th graders will be joining in the adult services each weekend. Be sure to connect with us in the student area on the patio to say hello to friends and eat some goodies. Also, maybe consider serving this summer as an usher, greeter, or even on the coffee team!

Fall student services

Starting the weekend of August 17-18, we'll be launching our new exciting weekend service structure.
