

## 21 Days of Prayer

Day 19:

**Scripture:**

“The purposes of a man’s heart are deep waters, but a man of understanding draws them out.”  
Proverbs 20:5

**Devotional:**

Many question, what is my purpose? What have I been put on Earth to do? I don’t believe it is a question that we can answer in a day, a month or year, but is something we will spend a lifetime to uncover from the deep waters of our hearts. Every time we sit in the presence of God or see Him move in our lives and others, we dig deeper into those waters and bring them to the surface. In pieces, phases and processes we begin to see all that God has called us to be.

**Prayer:**

Father God, may I look to you each day for more understanding of who you have created me to be. May I search for more depth and fish out from the darkness what lies deep in my heart that you have put there ready to be brought to light. May I be patient to your timing and diligent to pursue daily the work and discipline it takes to follow you without restraint. May no fear of failure or what others may think of me, keep me from walking with you in the fullness of your purpose for me. May I understand that it is not of my efforts that greatness will come forth, but in humility and obedience that I learn of the masterpiece that lies within. In Jesus name, Amen.
