

21 Days of Prayer

Day 7:

Scripture:

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Galatians 6:9 NIV

Devotional:

It is easy to become disheartened or weary as we attempt to live a godly life, or plant seeds to reap eternal life for the people around us. It can be especially discouraging if we do not receive a word of thanks or see any tangible results. But since God sees the big picture that we don't, our job is to obey Him, and leave all the consequences of our actions to Him. Keep pressing in and doing the good you are called to do. You will reap a harvest of blessing in due time!

Prayer:

Holy Spirit, thank You for being an encourager to us. We want to keep pressing in and doing the will of Father God even when we don't see the results of or receive adulation for our efforts. Thank You that You see what is happening behind the scenes—all that we can't yet see. Continue to help us as we seek to glorify You!
