

21 Days of Prayer

Day 9:

Scripture:

I have loved you even as the Father has loved Me. Remain in My love. John 15:9 NLT

Devotional:

By following closely in Jesus' footsteps and being obedient to His will, we allow Him to nourish our hearts. This is vital in order for us to pour out and give to our hearts to others. Giving from our own strength and determination depletes us and causes weariness. Giving from a heart nourished and filled by Jesus brings peace and joy. Have you been feeling depleted and burned out? Check in with the One who brings His love to the deep places of your heart and spend some time getting refueled!

Prayer:

Jesus, thank You for loving us as the Father loves You. There is no greater joy! We want to press in more, press in deeper, and press in longer to You, so You can fill our hearts to capacity. We submit to fully relying on You, so that we can give to others out of the overflow of our own hearts!
