

You may not be aware, but there are over 1,000 kids within our Lucia Mar school district that are identified as “in transition” or don’t have a stable place to stay. We want to make sure these children have a lunchbox for school and plenty of healthy food and snacks to pack their new lunchboxes!

Have fun picking out a lunchbox (or two) for another child. You can purchase at a local store or online. You’ll also see the QR code below that you can scan to be taken to our Amazon wishlist.

In the parking lot each day you’ll see a GIANT lunchbox where you can drop of lunchboxes and food. You can bring items any day this week but we wanted to make sure you knew about it early to give you plenty of time to pick out your favorite! Lunchboxes and food will be passed out through Lucia Mar summer school programs as well as through our own U-Pick Food Pantry in the next two weeks as everyone gets ready to head back to school!

PRO TIP!

If you shop at Grocery Outlet in Arroyo Grande, your donation will go even farther!

During the month of July they are raising money that goes directly to the New Life U-Pick Pantry.

SHOPPING LIST

Lunchboxes
Chips
Fruit cups
Juice boxes
Granola bars

Applesauce
